1. Curriculum aims

Our curriculum aims/intends provide **better futures for all** by -

- Providing a broad and balanced education for all pupils that's coherently planned and sequenced towards cumulatively sufficient knowledge for skills and future learning and employment

- Supporting pupils' spiritual, moral, social and cultural development
- Supporting pupils' physical development and responsibility for their own health, and enable them to be active
- Promoting a positive attitude towards learning
- Ensuring equal access to learning for all pupils, with high expectations for every pupil and appropriate levels of challenge and support
- Having a high academic ambition for all pupils
- Equipping pupils with the knowledge and cultural capital they need to succeed in life

5. Inclusion

Teachers set high expectations for all pupils. They will use appropriate assessment to set ambitious targets and plan challenging work for all groups, including:

- More able pupils
- Pupils with low prior attainment
- Pupils from disadvantaged backgrounds
- Pupils with Special Educational Needs and Disabilities (SEND)
- Pupils with English as an additional language (EAL)

Teachers will plan lessons so that pupils with SEN and/or disabilities can study every National Curriculum subject, wherever possible, and ensure that there are no barriers to every pupil achieving.

Teachers will also take account of the needs of pupils whose first language is not English. Lessons will be planned so that teaching opportunities help pupils to develop their English, and to support pupils to take part in all subjects.

Further information can be found in our statement of equality information and objectives, and in our SEN policy and information report.

6. Monitoring arrangements

Governors monitor whether the school is complying with its funding agreement and teaching a “broad and balanced curriculum” which includes the required subjects, through:

- Half termly monitoring activity
- External and Trust reviews
- Academy visits
- Meetings with the School Council

Headteachers and Curriculum Leads monitor the way their subject is taught throughout the academy by:

- Planning and book reviews
- Learning walks
- Discussions with teachers and pupils
